### **MEDICAL PRACTICE RECEIVES FUNDING WINDFALL THANKS TO LENTELLS**

With their in depth knowledge of the medical sector, the Lentells team are always alert to possible historic under funding. When the team took over the financial management for one particular practice, they sensed immediately that this was the case. They undertook a huge review of the funding over the previous 4 years and took up the case with the Primary Care Trust. The result was a back payment windfall of £40,000.
